BEFORE

Direct Impact: \$14,392  
Indirect Impact: \$16,407  
Total Economic Impact: \$30,799

The house at 232 Washington Boulevard was built in 1900 and retains its beautifully carved interior woodwork. The current owners have used the state historic preservation tax credit to repair and paint the exterior wood siding and to finish a portion of the basement for additional living space. By maintaining the exterior of this resource, it continues to be a vital contribution to the Washington Boulevard Historic District.
